Kirby Automat
1) This part is glued into Kirby's back.

2) This part is glued here.

3) Be sure that you glue the 2 brown parts in this way together (A valley should be created).

4) The peak has to point in the other direction than here (mine is wrong :(

5) Glue Kirby's back here.

6) Glue Kirby's arms and shoes.

Note: The triangle is still in the wrong way here.

Also use the refs in the zip-file!
